Hi Jackie,

I don't think he needs anything—having the “associated MRID” column provides just what he wants.

Hi Kerry,

Can you explain what you think Dehui needs here?

Jackie

Hi Jackie,  
I would more like the column of associated MRIDs. All PC beans sharing the same MRIDs can be reviewed together.  
Thanks,  
Dehui

Hi Kerry,

There will be more coming your way. I'm not sure when at this point though, but will keep you posted.

Thanks,  
Jackie

Hi Jackie,

This is great and will definitely be helpful to us.

I can't help but notice that the spreadsheet even lists seven application packages "not yet received" so I guess we can look forward to doing reviews for those as well 😞.

Hi PC team,

As discussed, please see the tracking table I put together for the PFAS container PC beans. Let me know if I can change this around to make it more useful.

Thanks,  
Jackie
